Improved personal cleansing cloths for optimal skin health

So much to protect

You know that incontinence care is about so much more than just keeping skin clean and dry: Skin breakdown can be life threatening.

The complete portfolio of innovative incontinence products from Cardinal Health, coupled with our expert team, provide true protection for your patients' skin and dignity, and ultimately, the reputation of your facility.

Explore our personal cleansing cloths — including new formulations — and discover how using the right products can help keep your patients' skin truly safe and protected.

New Cardinal Health™ WINGS™ Personal Cleansing Cloths

WINGS™ Personal Cleansing Cloths are strong yet soft, designed to effectively remove urine and feces from even the most fragile skin. Ideal for incontinence and quick clean-ups, this product is to promote dignity.

- Twice as resistant to punctures when compared to Cardinal Health™ Curity™ Pre-moistened Washcloths¹
- Pre-moistened, ready-to-use wipes come in resealable packaging to help reduce the risk of cross contamination
- Gentle, hypoallergenic, no-rinse formula is ideal for sensitive skin
- Infused with soothing vitamin E, chamomile and aloe vera
- Alcohol, parabens and latex free
- CHG compatible
