

Microscope Slides and Cover Glass

WE CARE LIKE FAMILY™

See The Difference

Corrosion resistant, precleaned, lint-free and ready to use. Suitable for all medical applications at economical prices.

Microscope Slides

- Made of premium, quality sheet glass with ground corners
- Provides consistent results for all laboratory tests
- Frosted slide coating retains most laboratory marking methods
- Writing surface eliminates the need for paper labels and re-labeling of slides

Microscope Cover Glass

- Uniform thickness and superior flatness
- Excellent clarity
- Processing techniques result in superior cleanliness
- Packaged in 1 ounce quantities
- Cover glass comes in a crush resistant plastic box
