Catch Your Customer's Attention

Packaging is eye catching and informative allowing potential customers to make a buying decision quickly and easily.

CONTOUR[®] CLOUD PILLOW

Perfect for back & side sleepers

Keeps Cool

Channels provide air circulation for a cool night's sleep

Aligns the Spine for a Great Night's Sleep

Famous Contour shape supports the head and neck for perfect alignment

2 Neck Support Options

Choose from regular support or extra support to perfectly fit the length and curve of the neck

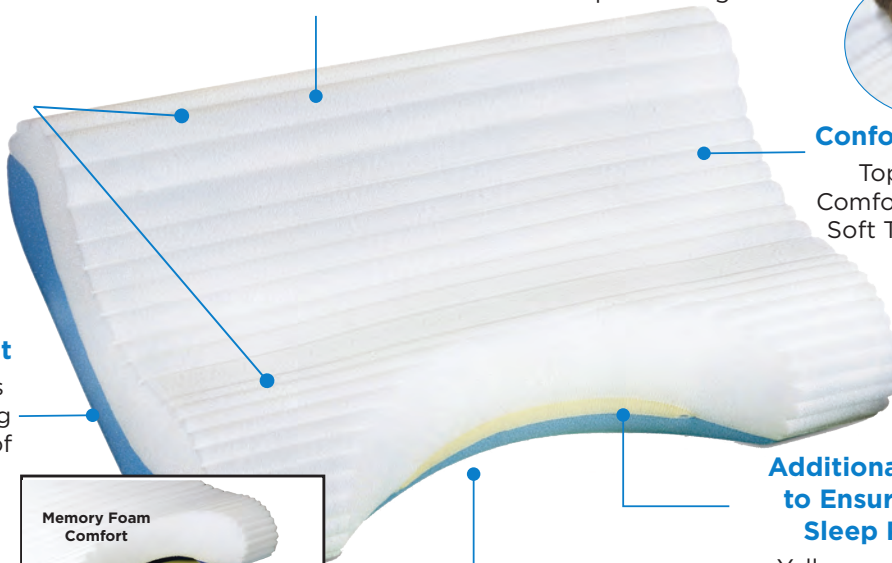

Conforms to Shape

Topped with a Comfortable Layer of Soft Touch Memory Foam

Doesn't Bottom Out

Firm blue base keeps pillow from bottoming out from the weight of the head

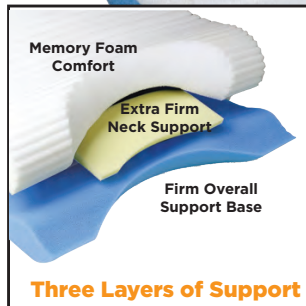

Additional Support to Ensure Proper Sleep Posture

Yellow wedge in the middle provides added support for the neck

Shoulder Doesn't Bump On Pillow

Crescent cutout provides ample space & support for shoulders

Three Layers of Support

Lack of support can cause poor sleeping alignment.

The Contour Cloud Pillow's exclusive contour shape and crescent cutout supports the head and neck, keeping the spine aligned - just as nature intended it
