

Clipboard - Aluminum Overbed - #203601

Over bed clipboards are made of durable, easy to clean aluminum. These lightweight holders secure information and forms with a strong low profile spring clip. Hung on bedrails with a 1 3/4 inch over bed handle, they are a convenient tool to keep patient information organized and easily accessible. Each clipboard can accommodate up to 50 plus sheets and measures 13 7/8 inches high by 9 inches wide.
