

# AirLife™ Tri-Flo suction catheters and tracheostomy care kits

AirLife™ brand Tri-Flo suction catheters and tracheostomy care kits help you treat the compromised airway. An array of options allow you to choose the optimal product configurations for your patient needs.

# Tri-Flo suction catheters

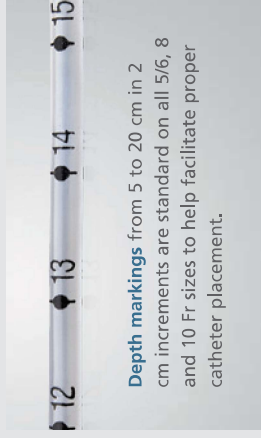

Tri-Flo catheters are designed with two triangular eyes and a beveled tip to increase suctioning efficiency while reducing patient trauma. The Tri-Flo catheter portfolio offers catheters in 5/6, 8, 10, 12, 14 and 18 Fr sizes to cover a range of patient needs. Clear connectors are standard on all 5/6 and 8 Fr sizes to help you easily visualize patient secretions.

## Single catheters

Tri-Flo catheters are available in looped and straight packaging configurations and straight packaging configurations in 5/6, 8, 10, 12, 14 and 18 Fr sizes. Most single catheters are available with or without a control port, so you can choose continuous or controlled suctioning.

Straight with control port			Looped with control port		
Cat. no.	Size (Fr)	Qty.	Cat. no.	Size (Fr)	Qty.
T263C	5/6	100	T63C	5/6	50
T264C	8	100	T64C	8	50
T261C	10	100	T61C	10	50
T268C	12	100	T68C	12	50
T260C	14	100	T60C	14	50
T262C	18	100	T62C	18	50
Straight without control port			Looped without control port		
T261	10	100	T64	8	50
T260	14	100	T61	10	50
T262	18	100	T60	14	50
			T62	18	50

Depth markings from 5 to 20 cm in 2 cm increments are standard on all 5/6, 8 and 10 Fr sizes to help facilitate proper catheter placement.

Tri-Flo catheter tip design

## No-touch catheters

Tri-Flo catheters are packaged in a plastic sleeve to add a layer of safety between the clinician and the patient. No-touch catheters are available in 8, 10, 12, 14 and 18 Fr sizes and include a pop-up basin for your solution.

### With pop-up basin

Cat. no.	Size (Fr)	Qty.	Cat. no.	Size (Fr)	Qty.
T164C	8	100	T160C	14	100
T161C	10	100	T162C	18	100
T168C	12	100			

## Sterile solutions

For your suction procedure needs, each peel-back foil-lid cup contains 4 oz (120 mL) of sterile water or 0.9% normal saline solution.

Cat. no.	Description	Qty.
4872B	Water	48
4873A	Normal saline	48

## Cath-N-Glove® economy catheter kits

Tri-Flo catheters are packaged with one or two powder-free vinyl (*latex-free*) exam gloves and a pop-up basin. All economy kits are packaged in a plastic peel pouch to ease use and speed preparation.

One powder-free vinyl glove				Two powder-free vinyl gloves			
Cat. no.	Size (Fr)	Qty.	Cat. no.	Size (Fr)	Qty.	Cat. no.	Qty.
4693T	5/6	100	4893T	5/6	100
