

ErgoPro II™

M A S S A G E O N

Everything you need in one great package! The re-designed Ergo Pro II was ergonomically engineered to provide proper alignment and the ultimate comfort for you and your client. This exceptionally versatile chair seats clients ranging from 4'6" to 6'6", weighs only 19 lbs., and has a remarkable 600-lb. working weight. Now with thicker, improved cushioning, replaceable pads, and a sleek new endplate, it is more comfortable, and more functional than ever!

As massage evolves, so does the Ergo Pro II Chair from Stronglite.

- Heavy duty and improved cushioning
- Greater working height adjustment
- 600-lbs. working weight
- Angle adjustable seating
- Replaceable pads
- Removable leg rests for easier client access
- FacePillow with CloudFill™ technology
