

100% Cotton Nonwoven Sponges

AVAILABLE IN:
2x2 (4-Ply)
3x3 (4-Ply)
4x4 (4-Ply)

The 100% Cotton Nonwoven Sponge is the perfect general use sponge combining the most desirable characteristics of sponges into one product. It features a smooth, textured and lint-free surface that provides exceptional patient comfort and maximum absorbency.

- Lint-free so no fibers are left in your patient's mouth
- All-natural and biodegradable
- Larger sizes are ideal for surface and instrument cleaning
- High absorbency

"The sponges are durable, and the variety of sizes is convenient for all types of dental surgery, including implant surgery, where it is important to use quality materials."

- Dr. Bellis
