

SOLIDIFY FLUID WASTE QUICKLY & SAFELY

Speedy Cleanz®

A more economical alternative to our Red Z® Solidifier. Apply Speedy Cleanz® to vomit, blood, urine as well as other body fluid spills and watch it transform the liquid into an odorless, semi-solid mass.

Speedy Cleanz® non-slippery formula is perfect for use on floors. It's non-toxic, biodegradable properties make it environmentally friendly, and easily disposable. Perfect in schools, veterinary offices, industrial facilities or anywhere there is the possibility to come in contact with body fluid spills.

Directions for Use

Sprinkle generous amount of Speedy Cleanz® onto spill. Allow sufficient time for liquid to absorb, scoop up and dispose. Clean and disinfect contaminated area thoroughly after use. (Consult appropriate local/state regulations for medical waste disposal regulations.)

Speedy Cleanz® non-slippery formula is perfect for use on floors.
